TESTIMONIALS

TESTIMONIALS

"It was scary at first getting a website not understanding how they work and the importance of owning one, but little by little attending the seminar and learning I've been making progress and have started getting phone calls from it!"

- America Lopez, CEO of Cleen LLC

TESTIMONIALS

“We went from not knowing if we had something to do the next day to having worked lined up for the next three months. Resources available like Get in Motion can help guide you step by step on what you need, where you need to go to get your license, your insurance, how to advertise, who to target, when to target. We’ve been doing this for 3 years, and it is still good to go to the events and learn.”
